

Sanctuary Award Application Form Guidance Notes

Background information

People seeking sanctuary, whether they are separated from or living with their families, are some of the most vulnerable people in the UK (we use the term 'sanctuary' rather than 'asylum' to avoid the negative connotations of phrases such as 'asylum-seekers').

The University of Chester works to enable people seeking sanctuary to progress to higher education. Successful applicants for the Sanctuary Award at the University of Chester will be provided with:

- Tuition Fee Support: Successful students will be offered a tuition fee-remitted place at university until such time as they are awarded status that entitles them to access student finance.
- Personal Support: In addition to fee remission, support will be developed for each student to enable them to identify and overcome barriers to achievement on their degree programme.

The University of Chester will not be able to provide any financial support for accommodation or living costs. Students should only apply if they are able to support these costs themselves during their university course.

- Your ambitions for the future, why you have chosen your course of study and how the Sanctuary Award will help you to achieve your ambitions
- Your financial circumstances, including how you have managed financially whilst at college and how you will support yourself at university – the University of Chester cannot support living costs, such as accommodation and food – how will you support these costs whilst at university?

Your application for the Sanctuary Award is completely confidential and the selection panel will only be able to consider information that is given in your answers to the 8 sections. Whilst the selection panel do need some details of personal circumstances we do not need to know about the circumstances that led to you seeking asylum in the UK if you don't wish to provide this information. Your supporting Referee will be asked to give a supporting statement about you but if there is any information that you feel should be considered you must include it here.
