University of
Chester

With tackling climate change at the forefront of the world's agenda, this year's Cheshire Prize competition will focus on the theme of Sustainability.

The COP26 summit has been taking place in Glasgow with minds from around the world coming together to offer solutions to the climate crisis. We'd love to hear your responses to these issues through fiction – either a short story, piece of poetry, script or children's literature piece (this can be a script, story or poem, for children ages seven to 14). We would love to hear your creative green solutions in this year's competition and your piece can explore any aspect of living in a 'greener' way.

This year we are introducing a children's competition and want to encourage all ages from four to 100 to be creative. Please see below for age groups and which category is open to each age group.

Age Range	Poetry	Short Stories	Children's Literature (writing for children)	Scriptwriting
4 – 7	x	x		
8 – 10	x	x		
11 – 13	x	x		
14 – 16	x	x		x
17 – 18	x	x		x
19 – 24	x	x	x	x
25 and over	x	x	x	x

The judges will choose one winner from each category and a prize will be awarded to each category as well as the opportunity to be selected to appear in the Anthology, published by University of Chester Press.
