

## Worksheet

When considering which GCSEs to take, it is important that you know the facts. Take the **True** or **False** quiz below to test your existing knowledge about choosing GCSEs!!

		True	False
1	Some GCSEs don't have any written work		
2	There are easy GCSEs		
3	My GCSE choices will affect the jobs that I will be able to do in the future		
4	GCSEs won't help me to get into university		
5	I have to study Maths, English and Science at GCSE		
6	The best GCSEs to take are the ones my friends are doing too		
7	It is a good idea to play to my strengths when I'm choosing my GCSEs		
8	Speaking to people who know me like my teachers, parents/carers or careers advisers can help me to make my decision		
9	I will need GCSEs in Maths and English Language at grade 4 or above to progress onto College, Sixth Form, an Apprenticeship or university		
10	To get on to some courses at College/Sixth Form, and some apprenticeships I will need a specific subject at GCSE
