

Tier 4 (General) Student Visa Genuine Intention to Study Application Form

Thank you for making your financial deposit payment to study at the University of Chester. We hope that your Tier 4 (General) student visa application preparations are progressing well. You are one step closer to receiving your Confirmation of Acceptance of Studies (CAS) letter from the University.

As you may be aware the United Kingdom Home Office has implemented mandatory genuine intention to study credibility interviews as part of the Tier 4 (General) visa application process. Before we can issue you with a CAS letter, we therefore require you to complete this Intention to Study Form by answering all questions below. Please email the completed form to applyinternational@chester.ac.uk.

Please ensure that you complete all the questions below and ensure that you give full and honest answers. Failure to answer any question to a satisfactory level will result in either a Genuine Intention Interview being conducted by the University prior to the issuing of a CAS, or no CAS being issued.

Q3.

Why have you chosen to study at the University of Chester instead of any other University?

Guidance: You need to think about what specifically attracted you to the University of Chester. You may find it useful to refer to the university profile on the following link: <http://www.chester.ac.uk/about/the-university> Chester is a campus university - what attracts you to the student lifestyle on a campus rather than in a city location? You might also wish to consider the ranking of the University over other universities.

Q4.

Why have you applied to study your chosen course and how does this relate to your previous studies?

Guidance: There may be many courses in the same subject area as the one you plan to study at Chester. What is it specifically about the Chester course which you prefer and which suits you over other course choices? Think about your decision process. Did you apply for other courses - why did you choose Chester over them? What modules are you most looking forward to studying and how are these assessed? Think about how this course relates to your previous studies and how it might build on your previous learning.
