

GRADUATE LOYALTY DISCOUNT

As an existing undergraduate student, or an Alumnus from the University of Chester or its Associate Colleges, if you choose to pursue a higher-level qualification, you may be eligible for specially discounted course fees at the University of Chester through our Graduate Loyalty Discount.

We currently offer a **25% discount** against qualifying full-priced postgraduate taught Master's courses.

Terms and Conditions

- A **25% discount** is offered against tuition fees payable for relevant courses during the following academic years:
 - 2021/22: courses beginning on or after 01/09/2021 and before 30/06/2022,
 - 2022/23: courses beginning on or after 01/09/2022 and before 30/06/2023.
- The discount is for those who have graduated with a **Bachelor's degree or PGCE** awarded by the University of Chester or its associate colleges, who have not previously received this or a similar discount. Foundation degree graduates are not eligible for the discount.
- Students who have **transferred mid-course** from another university are not eligible for the discount.
- The University reserves the right to withdraw, or vary, any conditions of the initiative at any time without notice.
- Discount may be forfeited if fees are not paid promptly.
- Discount is only to be redeemed against a course in the academic years **2021/22** and **2022/23**.
- Discount is only to be redeemed against a full priced taught Master's course.
- Discount is not transferable and cannot be used in conjunction with any other offer.
- Students who hold any other financial award contributing to their fees must seek advice and may not be eligible.
- Students must be self-funding for the entirety of their course.
- Discount is not applicable to MBA courses.
- Discount is not applicable to PGCE courses.
- Discount is not applicable to Nutrition and Dietetics MSc and PGDip courses.
- Discount is not applicable to Pre-registration Nursing Adult Nursing and Pre-registration Mental Health Nursing courses.
- Discount is not applicable to research degree courses, including Master by Research (MRes) courses.
- Acceptance onto a Master's course is subject to entry requirements.
- The decision of the University as to a student's eligibility shall be final.
